

Are you easily tired?
Is your work a
burden? Do you
often feel weak
and faint? Is
your appetite poor?
Are you easily dis-
couraged? If so, your
nervous system is weak-
ened, your blood is impure,
and serious illness is not far
away.

AYER'S Sarsaparilla

was made for just such cases.
When the blood is impure
the whole nervous system be-
comes poisoned. It is im-
possible to throw off that
terrible feeling of depression,
and there is no ambition to
work. Ayer's Sarsaparilla
will purify, vitalize, and en-
rich your blood, and life will
again be worth living.

As now made, Ayer's Sarsaparilla
contains no alcohol.

There are many imitation
Sarsaparillas.

Be sure you get "Ayer's."

**CAMPBELL TO GO TO
EUROPE FOR LABOR**

A. J. Campbell, former Treasurer of
the Territory, has been selected by
the Board of Immigration to go to
Portugal within the next few weeks
as agent of the board. Between
fifteen hundred and three thousand la-
borers are ready to take passage from
there and come to Hawaii as agricul-
tural workers, according to an an-
nouncement made at the Immigration
Board meeting the other day. The
members have been in correspondence
for some time past with the steam-
ship people who handled the shipment
of the last lot of Europeans to the
Islands, and no difficulty in securing
passage for the necessary steamers is
anticipated. That the sugar corpora-
tions will be ready by the first of
July to pay the additional 1 per cent.
income tax, due in November, accord-
ing to a law passed by the late Legis-
lature, thus providing plenty of funds
for bringing the immigrants here, is
an authoritative statement.

Richard Ivers, who was recently ap-
pointed president of the Territorial
Board of Immigration, presided at the
meeting. A. L. C. Atkinson was named
as secretary of the board and E. H.
Wodehouse as auditor. A. J. Camp-
bell will be employed as the perma-
nent agent of the board.

The Nippon Maru, leaving tomorrow
morning at 10:30, will carry the mail
to the Coast.

SUDDEN DEATH OF MRS. LUTTED

J. Oswald Lutted of this city yesterday received brief cable information of the death of his wife in San Francisco. Mrs. Lutted had only arrived from here on the steamer Alameda the previous day, and the news of her sudden taking off came as a terrible shock to Mr. Lutted and the many friends of the family in this city.

Although Mrs. Lutted had been in ill-health for considerable time past, having been confined to her bed shortly before she left for the Coast, her consulting physician thought that she was physically able to stand the trip and that, in fact, she would be benefited by it. She passed away at the house of Mrs. Reed, a friend, in San Francisco, at the age of fifty years.

The sad feature of Mrs. Lutted's sudden death is in the fact that she was on her way to visit her daughter, Gertrude Sledge, who was recently married in Seattle. Her daughter is now residing in Spokane, Washington, and at the time of her mother's death, was speeding on the train to meet her in San Francisco. The remains will be sent East for burial at the old home in Western Pennsylvania.

Mrs. Lutted's father was a very prominent man in Pennsylvania. He died a number of years ago. Two brothers survive the deceased in Buffalo, New York. Mr. Lutted will not go to the States, as he could not get there before two weeks, at the earliest. Mrs. Lutted left a large circle of friends and relatives in this city who mourn her loss sincerely.

Chief of Detectives Leal arrested Samuel Smith last evening late, booking him at the station for investigation.

SETTLEMENT OF DREIER ESTATE

Through the signing of a consent decree yesterday by Circuit Judge De Bolt, the litigation over the estate of the late August Dreier has been brought to a conclusion with an adjudication of the differences that existed to the satisfaction of all concerned in the settlement of the estate.

The provisions of the decree make a distribution of the interest held by Mrs. Dreier in the capital stock of August Dreier, Ltd., the widow to have a life interest in the stock, which will revert to her children upon her death.

The formal suggestion of a settlement without litigation originated with Mrs. Dreier. The estate was brought into court on a suit instituted by a son to break his father's will, the second action having been instituted by Mrs. Dreier in an effort to set aside a trust deed for the benefit of the children. The consent decree was granted on a motion by Cecil Brown, trustee under the trust deed involved in the suit by Mrs. Dreier, and F. A. Schaefer, guardian of August, Dreier and Edward Dreier, minors, beneficiaries under the deed of trust.

The possibilities of long legal delays in the disposition of the cases, which would naturally militate against the interests of all holding an interest in the estate, is advanced as a reason for the settlement with the approval of the court.

Settlement Is Full.

The documents recited that the guardian and trustee had received an offer of compromise from Mrs. Dreier, which would also bring about a cessation of the suit brought by W. A. Kinney as the guardian ad litem of Emil Dreier, to set aside the Dreier will. The further statement is made that Adele Dreier and Anna Dreier Markham, beneficiaries under the will and both of age, desired to see a termination of the litigation.

Under the provisions of the settlement Mrs. Dreier has a dower right in 250 shares of the August Dreier, Ltd., which in the trust deed were provided for Adele Dreier—with dividends on the shares from January 1, 1909. The 249 shares also given Anna Dreier Markham under the trust deed and the shares allotted August Jr. and Edward Dreier are also turned over to Mrs. Dreier for assignment to the Hawaiian Trust Company to be held in trust for her during her lifetime after which they go to the children.

A proviso is attached to the decree shall only go into effect upon the assignment to Cecil Brown by Emma Dreier of 125 shares of the August Dreier, Ltd., stock for the benefit of Emil Dreier and his family—this being in accordance with the provisions of the trust deed.

Thompson and Clemons, the attorneys for Cecil Brown and F. A. Schaefer, executors of the will of August Dreier, have been allowed a fee of \$2500 for services performed in connection with the estate.

Reinstatement Ordered.

A peremptory writ of mandamus was issued by Judge Robinson yesterday through which the Lung Do Chung Ling Tong Benevolent Society will be compelled to reinstate Yung Kwong Tai on its membership rolls. According to the views expressed by Judge Robinson, there was no legal reason why the petitioner should have had his name stricken from the rolls of the society, and that the charges made against him, alleging fraud in connection with the handling of the stock of a railroad in China, were not substantiated. The attorneys for the petitioner, E. C. Peters and A. G. M. Robertson, claimed that their client had been deprived of his rights and benefits which would accrue to him through membership in the society, and that his expulsion from the organization was entirely contrary to law, in which view Judge Robinson fully concurred.

Whitney Qualifies.

Judge W. L. Whitney took the oath of office yesterday as judge of the Circuit Court of the First Circuit and is now ready for business. Upon qualifying Judge Whitney convened court and administered the oath to John Marcellino as clerk, Gilson D. Bell as stenographer and Eugene K. Aip as assistant clerk and bailiff.

Judge Whitney was also commissioned by Chief Justice Hartwell as the interpreter of the new juvenile delinquency act, and his first hearing into the cases of young offenders will occur tomorrow morning, when two juvenile delinquents will come before him.
